<u>Silver</u>	<u>Gold</u>	
\$1,650	\$1,950	2006 E-Z-GO PDS – Green & White
\$1,950	\$2,250	2008 E-Z-GO PDS – White
\$2,400	\$2,700	2009 E-Z-GO RXV - Green & White
\$2,700	\$3,000	2010 E-Z-GO PDS - Green

Above prices **do not include** options (tops, windshields, etc.)

**See the Optional Equipment listing page for options/accessories  
 Car pricing and availability subject to change**

**Silver Reconditioning:** We load test your batteries with a state of the art computerized discharge tester making sure they discharge at 80 minutes, or better of run time. This is the equivalent of playing two rounds of 18 holes of golf. Battery charger is checked and working correctly. Seat covers will be used but in good condition with no rips/holes. Car is checked to ensure it starts, brakes, and steers correctly. Car is cleaned with a power wash.

**30 day warranty on the major drive train (batteries-motor-charger) performed in-house at GCS.  
 Transportation to/from GCS is not included in the warranty coverage.**

**Gold Reconditioning:** We load test your batteries with a state of the art computerized discharge tester making sure they discharge at a level of 80 minutes, or better, of run time. We replace the battery wires and solenoid with new. Battery charger is checked and working correctly. Pull rear drums, inspect brakes and replace pads, if worn. Grease all fittings. Remove course logos and decals. Automatically replace both seat covers with new. Check over entire cart to ensure your car starts, brakes, and steers correctly. Car is power washed and detailed.

**60 day warranty on the entire car covering all parts and labor performed in- house at GCS.  
 Transportation to/from GCS is not included in the warranty coverage.**

**Ask about cars that are ready in our showroom and outside sales area!**
